## Message from the Vicar

A tea bag talked to me last Sunday!  
It talked to me about 'Integri-tea'.  
If you heard my sermon you will understand.

The sea talked to me while I was away in South Wales. The waves washed over my feet and I remembered my call to serve others, just as Jesus washed his Disciples' feet.

I'm not going mad, I promise you, but things do talk to me... or rather God talks to me through things I see and hear.

In the Old Testament 2 Samuel 11.26 – 12.13a King David hears a simple story from the Prophet Nathan about a rich man who had many resources and a poor man who only had a ewe lamb which was as close as family. The rich man takes the poor man's lamb to serve as food for his guests. King David is outraged at this story and declares that the rich man should be punished, but Nathan tells David that in his actions with Bathsheba, he IS the rich man!

I hope that things that God wants to say to us through things we see or hear will not be as dramatic, but let's slow down and make ourselves open to listen.
