Notice sheet for 17th October 2021 – 23rd October 2021

Message from the Vicar

I like the idea of the legendary Round Table of King Arthur for the council including the king and the knights of Camelot.

I like it because there was no 'head' of the table because it was round.

This meant that the contributions of all seated were equally valid.

I suppose that the King would have the final say on decisions (I would have to delve deeper into the legends to see if I'm right) but all, in theory, could contribute to the discussion.

In Mark 10.35-45, the Disciples James and John sneak up beside Jesus and privately ask if they can be his right and left hand men when Jesus comes to lead in glory.

They wanted to get in there first - to grab the prime places.

Jesus reminds them that the seats of authority are not comfortable.

Leading is about serving. It is self-sacrificial. It is willing to be the least important and lifting others to places where they can flourish.

Let's grow to be even more like that sort of church which lifts people up and shares the load of leading in all sorts of ways.

I think we do well at the COR, but there are still more places at the 'round table' without the exclusion of anyone.

Prayer focus this week

Pray for all who struggle with their mental health.

Locally pray for our Police Forces.

This week's other News
