

Grovehill Church of the Resurrection

Notice sheet for 18th April 2021 – 24th April 2021

Message from the Vicar

Have you heard about when Orson Welles first broadcast his radio adaptation of H.G Wells' 'War of the Worlds' in October 1938?

It started off as a simple musical broadcast and soon created absolute panic in the listening public when it seemed that a genuine news report was being made to tell people of a Martian invasion! That was so shocking.

These days this would be tame. Facts have been so eroded that we almost treat everything with a mixture of noncommittal belief and cynicism but rarely surprise.

Today, when we read of the risen Jesus showing his scars to the disciples, we take this in our stride, but for the disciples it would have been VERY UNCOMFORTABLE but it shaped the rest of their lives and has impact on us today.

Today, let's not sleep in apathetic boredom which has 'seen it all before', but let's have courage to feel uncomfortable and face the hard elements of faith, and this may continue to impact generations to come.
