

Grovehill Church of the Resurrection

Notice sheet for 18th July 2021 – 24th July 2021

Message from the Vicar

So, most restrictions are lifting on 19th July?
There will be lots of mixed feelings.

Some will throw away all face masks and hug and gather like never before (some are doing this already, even though football hasn't come home this time), and others will still be anxious to go out or be near others.

Our church will continue Facebook livestreams and seek to make people feel comfortable, whatever their understanding of their comfort zones.

If people still want to wear face masks in the congregation, we appreciate this.

When the wearing of face masks is not mandatory, we will not enforce it or condemn different opinions. All we ask is consideration and understanding of people around you (this might mean keeping an emergency mask with you).

WHEN the Church of England say it is ok to share The Peace, we understand some people found this a hard part of the service even before the pandemic. Handshakes, kisses and hugs are overwhelming to some people, and we need to read people's body language as to how to interact with them.

I suggest WHEN it is allowed, hands forward (not like a zombie!) mean, "I'm open to a handshake". Hands down mean "I'm open to a head nod or wave in greeting".

In time we will return to receiving the Communion Bread from the vicar (maybe even the Communion glasses under our ecumenical identity).

In time we will be able to sing and have refreshments, but please be understanding of everyone's feelings.

I think this is what our church does well.

Prayer focus this week

Pray for the impact of flooding upon communities in Europe.
