Notice sheet for 19th October 2025-25th October 2025

The Rev's Ramblings

The world (rightly or wrongly) is full of quick fixes. If you want a meal, you can get it microwave ready. If you want an impressive tan, you can spray it on. If you want to build muscle or lose weight, there are quick ways for that too. I am not disrespecting any of these.

For some it can be truly liberating, but that is often because an attitude has also been transformed – hopefully for the better. Weight loss drugs are no use if intentions don't change. When they stop, the danger is a return to the former state.

It is understandable we are looking for ways to help us in this troubled world. Some people would say they seek a 'heavenly state' by certain methods or 'medications'... The roots are shallow and will wither or choke the user. I am by no means immune from wanting escape from weights on my mind, but whatever route of escape is futile, because the issue is still there.

The thousands who had been miraculously fed by Jesus wanted more of the 'fishfinger butties'* because they were hungry again. Jesus told them to seek for the permanent fix for their life. Here I am using the word 'fix' deliberately as 'solution', not a passing 'high'. Jesus said "I am the Bread of Life. Anyone who comes to Me will never be hungry. Anyone who believes in Me will never be thirsty."

Let's seek after lasting nourishment.
